

Traveldocs: Hassle-free Processing of Visa to Thailand

Thailand is one of the most sought-after destinations of the world for global tourists coinciding with the demand to apply for a visa Thailand. Thai visa has huge demand worldwide because of its sightseeing activities and luxurious itinerary. The country is not only known for its dynamic tourist destinations but also for investors who want to step into the Thai business world. There is a considerable surge in visa applications to Thailand.

Without a visa, a person is prohibited from entering another country. Do you want to apply for a visa Thailand? Must know the types of visas you need to apply for. Thai visa is classified as per specific purposes. There are two types of visas available for visiting Thailand:

- **General Visa**

Short term or General tourist visa does not need any process. After reaching Thailand, you can visit the immigration desk and get the visa with its validity time.

- **Non-immigrant Visa**

Long term or Non-immigrant Visa needs to be applied before visiting the country.

Interestingly, Thailand's visa and immigration policies seem to have been drafted in such a way that the possibility of tourists wanting to remain in Thailand has been taken into consideration. The other types of Thai visas are:
